

Participant Details – as of Wednesday, 02 March 2022

The details in the table below are believed to be correct, based on the information available to the UK Grain Testing Network at the time of issue. However, it is possible that the information supplied to the Network may not be fully up to date, especially during the first few months of the Network year (i.e. from June). **To the best of our knowledge those instruments marked in Yellow in the tables below did not have the most up to date calibrations installed at the time this list was produced.**

If you have any queries please contact the Network Technical Administrator: ✉ admin@ukgrain.org ☎ 0333 301 1241
